## Event Photography

\$350.00 an hour for on location photography events with all finalized digital images downloadable from a password protected folder on our website as well as placed on a high quality USB flash drive with a digital release form. Image quantity will vary on length of the event. Sessions should be booked in advance for indoor locations as well as outdoor locations.

*(All sales are subject to additional sales tax per session)*

## In addition ...

Additional costs may apply based on the distance to the photography session. All session prices include a 25 mile radius within Fort Bend county.

Any cancelations must occur 24 hours prior to your photo session.

Scheduled outdoor sessions may be subject to reschedule due to inclement weather.

All non real estate pricing is based on a single professional photographer taking your pictures. If additional photographers are needed, an additional charge of \$175.00 per photographer will be added to the session cost.

Professional printing options are available at an additional cost.
